SAVE THE DATE!

# UCLG ASPAC 7<sup>th</sup> CONGRESS

12-15  
September  
2018  
Surabaya,  
Indonesia

## Surabaya

Is the second largest city in Indonesia and the country's main gateway from the east. The city has been an important trading port for centuries; thus, Surabaya becomes a centre of business and commerce. The current leader of Surabaya has put great emphasis on the development of public space and pursue the accomplishment of sustainable city development.

Hosting UCLG ASPAC Congress, Surabaya invites local governments within Asia-Pacific region to collaborate, expand the network, and join hands to be more resilient in facing challenges and pursuing the sustainable development goals.

Don't miss the opportunity to expand network and explore collaboration with 800 local governments in Asia-Pacific & our global partners for more connectivity, innovation and solution on urban issues.

### Key features:

- Future Mobility •
- Smart Cities •
- Local Economy •
